ATTENTION :

SUBJECT : Taiwanese Independence and Nationalistic
Movements [REDACTED] 25X1A2g 25X1A8a

REFERENCE : Memorandum from Chief, [REDACTED] to Chief,
FE, dated 5 Jun 56, Subject as above.

25X1A2g

1. We are forwarding herewith 12 copies of [REDACTED]
Taiwanese Independence Movements, 1683-1956, dated 8 August
1956, which is the State/OIR contribution, arranged through
this office, to your requirement on subject as mentioned in
referenced memorandum.

2. It is to be noted that OIR, instead of confining
itself to its original limitation of writing a report con-
cerning only the post-war years of the Taiwanese independence
movement, has treated of the pre-war period as well. The
pre-war section of the report is based largely upon the
[REDACTED] summary forwarded to you under cover of referenced
memorandum; however, some important factual additions to the
pre-war phase of the independence movement have been added.
Thus, the pre-war and post-war phases are here combined in
a sensible and useful form, which we feel will be helpful
in meeting your requirement.
